This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the application filed by Elantic Telecom, Inc. (“Elantic” or the “Company”) for approval of a change in the Company’s name. Pursuant to the authority granted by this Commission, Elantic currently holds a Certificate of Public Convenience and Necessity to provide facilities-based and resold local exchange and intrastate interexchange telecommunications services in South Carolina. *See* Commission Order No. 2001-1120 issued December 18, 2001, in Docket No. 2001-375-C and Commission Order No. 2004-204, issued April 19, 2004, in Docket No. 2004-79-C.

Upon Elantic's filing, the Commission's Docketing Department instructed the Company to publish a Notice of Filing in newspapers of general circulation in the areas affected by the name change request. Elantic complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. The purpose of the Notice was to provide notification of the present proceeding to any interested parties and to advise interested parties of the manner and time in which to file pleadings to participate in the docket. No protests or Petitions to Intervene were filed in this matter. The matter now comes before the Commission for disposition.

By informational filing received September 17, 2009, Elantic advises the Commission that the Company has changed its name to Intellifiber Networks, Inc. In conjunction with the Company's informational filing, Elantic provides a copy of the Application for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina filed by Elantic with the South Carolina Secretary of State. According to Elantic, the Company currently does not have a tariff on file with the Commission, but a tariff will be filed with the Commission reflecting the new Company name of Intellifiber Networks, Inc. prior to its offering telecommunications services in South Carolina.

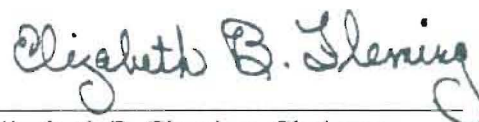

After review and consideration of Elantic's request, the Commission concludes that the request for approval of a change in the Company's name should be granted.

IT IS THEREFORE ORDERED THAT:

1. The application for approval of a change in the name of Elantic Telecom, Inc. is approved, and accordingly, the Commission's records will hereby be amended to reflect the Company's new name of Intellifiber Networks, Inc.

2. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Elizabeth B. Fleming, Chairman
